### The Premises:

Chelsea Cloisters, Sloane Avenue. Serviced apartments, well known and good.

### The Lady:

Kennice is just like her pictures. Tanned, quite pretty with an amazing figure and big, lovely soft tits. Daria, is not as pretty as her pics, but not ugly.

### The Story:

I had high hopes for this booking, but unfortunately was left disappointed.

I had asked the girls to dress in school girls uniform outfits with pigtails in their hair (they have some pics of them wearing this on some agency websites)

When I arrived they were wearing the outfits without the pigtails. I knew they didn't want to dress like this. They wanted to, and indeed did, take off the outfits and said sorry when I asked about the pigtails. Oh well.

I could also tell they weren't that interested in me. That's fair enough but, it meant they were just disinterested throughout my whole time there.

We did manage to do some things although they clearly wanted to finish early.

There was no OWO, they didn't really want me to touch their 'sensitive' tits and their asses were out of bounds.

I think that maybe the uniforms and being that it was quite early for them at midday, meant they just didn't really want to know.

I told the agency, after I had finished, and they were shocked! I had seen nothing but good reviews for both girls, and I genuinely believe them, and think I probably had a bad day - which happens. But still disappointing for me, and I can't really recommend the girls, even though Kennice's body is

genuinely very fit.

The agency were very good and dealt with it all very well. They have promised to make it up to me - which I thought was nice.
