The Premises:

Nice, upmarket building near Paddington rail station.

The Lady:

Dark black hair with large natural breasts--nice looking for her age. Photos show a much, much younger woman that she actually is. Not at all what I was expecting.

The Story:

As noted above I expected a younger woman. This is not to say she isn't attractive for her age (late 20's?) but the photos on website are misleading. This wouldn't have been a big issue if all services as noted (and site reviews) were on offer. Upon arrival told had cold, so no OWO, no DFK and since "her breasts were sensitive" little to no action there. She said "the agency should have told you"--but of course they didn't!! Against my better judgment and having the little head do the thinking, I stayed. Covered oral was fair, but again not what I expected given her earlier reviews. The s** was fairly good, but mechanical and certainly no GFE let alone PSE. Overall a very disappointing experience and there are certainly better GFE experiences, so look elsewhere.
