The Story:

Welcomed from the outset with a playful and fun loving attitude. I knew this was to be a good experience--and boy was I right! Lorreta is great fun and makes you very relaxed. And boy can she kiss; passionate DFK; it is like the girlfriend you never had but always wanted! Easy to move from the DFK to energetic OWO and on with the old hat for some great mish that left us both satisfied. (Really both of us.) After a drink and a little chit chat; her English is excellent and you can tell she is an intelligent and interesting girl; on to round two. Some playful action got the old man back into action and onward to some doggy with me pounding away. We both collapsed afterwards with deep smiles on our faces. Our time was up, but the experience still lives on. If you are looking for a real GFE I can't recommend her enough.
