### The Premises:

Easy to find, well-appointed and comfortable apartment in the MK theatre district. Convenient parking. Very discreet and safe.

### The Lady:

Tall, curvy (but beautifully proportioned) lady. No longer red-haired, but I think that may have changed again during the time it's taken me to write this review

### The Story:

My second visit to Chloe: the first was utterly memorable but I have not been in MK enough to repeat the experience until now, but we have kept in touch via PN and a second meeting was easy to arrange.

I was welcomed like a long-lost friend with a huge kiss and glass of bubbly. We spent a leisurely, hugely entertaining and increasingly sensual time in the bubble bath after a friendly argument over who had the taps end (as a gentleman I naturally offered, but Chloe the perfect hostess wouldn't hear of it) and a minor difference of opinion over water temperature (politeness forbids me from disclosing who best tolerated hot water).

Once out of the bath there was plenty of time to enjoy an unhurried and passionate time on the bed for lots of mutual pleasure and a range of positions. There is nothing mechanical or routine about time spent with Chloe, though: she is highly skilled but great fun - a marvellous combination in an afternoon lover - and showed every sign of enjoying our time together as much as I did.
