The Premises:

Clean and discrete, although could do with an en-suite bathroom. HOD2 has now moved to a different location.

The Lady:

Youthful, slim and petite with small but perky breasts. Exotic looking with jet black hair, lovely brown eyes and the face of an angel - the prettiest girl I've ever fucked. Told her she needed to get new photos done because her current ones don't do her justice, whereas most girls don't look as good as their photos.

The Story:

Soraya came across as less confident than the other HOD girls I have seen and it seemed to take her a while to relax. However, she was polite and friendly and I found it a nice change from the girl being all over you from the first second. After a slow build up undressing we moved onto a nice OW and sex in a few positions which she seemed to get into. The only downside was that she only does light kissing - no DFK. This isn't a big deal for me but it might be for some. After the deed we chatted for a while and she's a really sweet girl - I will definitely be going back for more.
