The Premises:

Clean and discrete. HOD2 has now moved.

The Lady:

Took a bit of a gamble here as there were no reviews for her and she looks different in some of her pictures to others. Happy to report that she is very pretty with glossy black hair and big brown eyes. Slim with medium sized naturals. She looks more like the indoor pictures on her HOD profile rather than the outdoor ones. Age listed as 28 seems about right.

The Story:

Plenty of DFK, although was slightly off putting that I could taste she is a smoker. Gave excellent OW (was offered OWO) then onto sex in a variety of positions. She seemed to enjoy it and either had an orgasm or put on a good acting job without going over the top. She was tight with good muscle control and as a result I didn't last very long. After a little recovery time she instigated another round but my body was not able to complete again so soon. Wasn't at all rushed and went over time, probably because there was some time before her next booking. Chatty and playful throughout - will see again.
