The Premises:

The usual near CMK, easy parking and easy to find.

The Lady:

Lovely dark haired. Great body. 5"5.

The profile says she is 39, (I would say slightly older).

But if like me, you love a bit of experience she is ideal.

The Story:

She entered the room and wow, I thought this is going to be great.

I learned my lesson, a few years ago, and made sure I relieve my self before an appointment (then I feel like I get a full money's worth).

All the usual, which were great. Of note was while doing doggie style, her ear rings rattled. Was a bit of fun, to see how often/fast! (Silly I know). Great body.

Asked to finish with hand relief. She used, both hands and boobs. Wow.
It was a great punt.
