The Story:

Risha has a great attitude, but limited services. Nice to talk to if that is what you expect from your girl friend. She has nice body, no kissing or she will not even give a hug. Will visit her again if I am stuck with no other options. If she was your real GF then it would be wonderful I guess :-)

Me being very polite, could not refuse to some things she said, not necessarily agree (she will know what I mean here....)
