The Premises:

Three storey house very near the main shopping centre. Plenty of parking spaces available and I did manage to park right outside the premises. The room was a good size with a nice double bed. Shower seemed to only work in a certain position but did the job.

The Lady:

A simply ravishing Brazilian babe! She is softly spoken with an excellent command of the English language and has in her possession the cutest, sweetest smile. Jade certainly scrubs up well! Her hair has had a subtle change in colour and is now a lovely dark brown.

The Story:

Booked the previous week as I did not want to risk not getting a slot with Jade ringing on the day. Called in the morning to confirm my booking and spent the rest of my day at work giddy with anticipation!

On to the big event with Jade and the only way I can describe the session is that it was absolutely sensational from start to finish! The time really did fly by and an amazingly pleasurable time was had. The encounter was an immensely passionate one with a few good giggles thrown in.

I will not go in to any further details but I can say the pleasure that I endured with Jade will stay in my memories for a long time.
