The Premises:

Jessi lives somewhere between Earls Court and Kensington High Street in a flat in a terraced house typical of the area. The room was small and uncluttered but had a double bed and room to move around in

The Lady:

Jessi is definitely better looking than her pictures. She is short with big boobs and a nice bum. She is very friendly, quite innocent and very much like the girl next door, which is why I chose her in the first place.

The Story:

I was welcomed in by Jessi and things took off very quickly. Lots of DFK, and fondling her big boobs. She was wearing black stockings and a thong which looked lovely on her round bum. She did good oral and all other services were really enjoyable. I was really surprised at how good she was.

We fucked on the bed, cowgirl and doggy positions, and when we'd had enough she finished me off on her glorious boobs.

I was a happy man. I had a quick shower, a peck on the cheek and was gone.

I'd like to go back.
