The Premises:

Clean and tidy apartment in central MK. Lots of parking space nearby but cheaper zones probably full until about 18:00 weekdays. I parked at the free multi-storey off Midsummer Boulevard opposite John Lewis about 3 minutes walk away.

The Lady:

Dee's photos are accurate. Fabulous figure, sensational legs and bum. In her heels she was about 5'10" (1.78m). Not a youngster, but I would have guessed she was no more than 40.

The Story:

I was let in by a tallish lady in black lingerie and heels. Her figure made me go weak at the knees. She ushered me politely into the very nicely furnished ground floor bedroom. I removed my jacket and loosened my laces and a minute later the same gorgeous lady entered. It was Dee; it was official; I was in love. I gave her a little peck and told her how lovely it was to meet her at last (she had been on my priority list for ages). Dee asked me what I was looking for and I told her that I just wanted to enjoy a little quality time with really sexy woman and I that liked things to develop slowly and gently and as naturally as possible. Money dealt with, a few light kisses and caresses were all that it took to wake up Little Warrior. This was a good sign. I asked if I could undo her bra. "Yes of course you can" was the reply, but easier said than done, Dee had to help me out (I think it was a cami-bra but to be honest I get confused about what is what in the wonderful world of women's underwear). I pressed a little closer to her from behind and I reached forward to cup her boobs. They were more than a handful. She turned round to let me see them. They are big and they are beautiful. Again my knees were going weak, but Little Warrior certainly wasn't. I paid my respects to both beauties and at the same time started gently touching Dee's crotch. Her hand immediately went to mine to make things more equal. Soon I was tasting sweet Dee juice and, although it took quite some time, more than for most but not as much as for some, I got the result I wanted. I had pleased her. Then it was Dee's turn. Further intimate details are unnecessary but it was obvious that Dee understood me. She took her time to build up my anticipation and then she delivered the goods with great timing and style, both with her mouth and then with her wonderful vagina. She gave me images to last a lifetime. I always hope for perfection when I pay for any type of service. Dee provided just that. I gave her a little extra cash to say a genuine thank you. And not only is she

a delight to have sex with Dee is also a delight to converse with. Dee darling, you might be that special lady I have been searching for the last couple of years. I promise that I will try hard to be faithful until we can meet again.
