The Premises:

Sophie has moved to a pleasant flat in neasden. Many buses stop nearby, it is very quiet and safe. There is parking outside.

The Lady:

She is gorgeous, fit body and athletic mind. The brain gives the biggest cum and this woman has stimulated mine on a few occasions. She is lovely to talk to and to be fucked by. She delivers all the services advertised and is clear about what she does not indulge in and spunk in the mouth is one that she does not allow. Anywhere on her body fine.

The Story:

I was met by a woman in jeans and a shirt, open midriff and plunging bra. I should have cum just looking. The shower cleaned me but my mind was still full of filth. I kissed her and massaged her cunt and arse through the jeans, Sophie's hands trawled my body and cupped my balls. Her bed is large and comfortable. We engaged in 69, finger fucking, anal play her fingers fucking me practically to orgasm. Sophie is very adroit and can keep the tempo at a charged level. Her arse and fanny are both havens for cock and tight is only an adjective. She thrusts moans and grinds and the inevitable squirt occurs. I tremble breath deeply and enjoy the moment carpe diem. I will return to Sophie to enjoy having all my senses pleased by a terrific woman.
