The Premises:

The flat was OK - spacious and decent - near Gloucester Road tube station. When I arrived, I was so disappointed with Donna, that I didn't bother taking a shower, so can't comment on that.

The Lady:

Not even close to her photos. I expect a bit of photo-shopping - who doesn't. I also expect there to be a rough approximation between the photos and the girl. In this case, the approximation was the epitome of "rough", in every sense of the word.

This girl is flabby and sagging. I like big boobs, but I like there to be some shape and form to them - these were just hanging there.

The Story:

No kissing, a little bit of cuddling. I was so turned off, though, it was difficult to enjoy any aspect of this. What I should have done was left. Instead, I shortened what was originally a 2-hour appointment to 1 hour (actually only about 30 minutes). I had a bit of OWO (not very good OWO at that), a bit of cow-girl (again, tough to do with her flopping all over the place), a bit of doggie (that way I didn't have to look at her), and then I came all over those flabby / saggy boobs (seemed appropriate enough to me).

Wouldn't recommend, wouldn't go back, sorry I went there in the first place.
