The Premises:

As before, the smartest parlour outside of Manchester, run very efficiently and indeed with a great welcome from Donna. Front and rear entrances, each room has a shower and is well appointed

The Lady:

Elisha is a delightful 5'8" tall blonde (currently sporting ringlet style hair), is in her late 20s, with green eyes and long slender legs. Shes been working out recently and her superbly tanned body was even nicer than last time. Wearing an outer mini-kimono style jacket, matching bra and panties, she welcomed me with a peck on the lips

The Story:

Elisha has a lovely smile, a very nice way with her, we started off with some light kissing, then lots of OWO, spit aplenty on the diamond cutter, shes likes to know what you want and as I'd rung earlier in the day she certainly delivered my favourite service with aplomb. As time was passing she quickly mounted me cowboy style and after a few minutes I shot my bolt, lovely girl, great time, recommended!
