### The Premises:

A secluded luxury house, just off Beulah Hill. Pretty much ideal for this sort of event.

The place was easy to find and there was plenty of safe parking.

From the outside, this looks like a bungalow - and on a rainy night, it looked distinctly unpromising - but once inside you are somewhere that could be James Bond's home.

There are four bedrooms upstairs, and a stone spiral staircase takes you downstairs to the kitchen, lounge, sauna, jacuzzi and gym. There are something like four showers and various bathrooms.

Everything is cosy, comfortable and well furnished with what you need. There are nibbles on the kitchen counter, and a fridge to put your drinks in.

### The Lady:

There were four ladies. All of them friendly, attractive, and good fun in the bedroom as well as nice to chat to in the kitchen.

Our hostess Pam was playing - and doing an excellent job with any nerves or awkward spots - along with petite blonde Jenny, slim Jamaican pole-dancer Suzanne, and curvy rampant Sarah.

### The Story:

I rang the bell a little early to get out of the rain. John the doorman took my money, and gave me the tour. I put my valuables in a bag in the safe, hung my clothes on a hangar in the utility room, and emerged in a bathrobe which was provided.

I warmed up in the jacuzzi, and chatted in the kitchen with Pam and Jenny till the party started. This sort of event can feel awkward - it's only my second visit to Pam's - but it's surprising how natural it can all feel.

Pam greeted me like an old lover, and I realised I was just going to have fun.

There were comparatively few guests - maybe about eight - so we all got lots of individual attention.

I started in the master bedroom for a tumble with Jenny. We made a thorough job of this, though it seems my first encounter at one of these events is likely to be quick. After a shower in the ensuite, I headed back out, after watching Jenny and another man. They were intent on pleasure, and didn't need any encouragement.

Next, I spent a longer time with Pam, who certainly rewards close attention.

I spent my longest time with Suzanne, who treated me to some very seductive individual attention, in a steamy session which was on its own worth the price of admission.

I hope I wasn't hogging Suzanne, but we then got involved with Sarah and another guy for a while, before I ended up back with Suzanne again.

After that, I was pretty much spent, and chatted with Pam and Jenny. They have plenty of stories about these parties, and clearly have a great time.

I left, well satisfied.
