The Premises:

One bedroom upstairs flat on fairly good housing estate. Fairly safe for car parking but the actual flat was filthy.

The Lady:

Independant escort aged approx.30, one nipple pierced had a bit of a moustache and hairs on her top lip.

The Story:

Arranged over telephone, was fairly cheap at £65.00 per hour and I was a little concerned and this turned out to be rightly so. Upstairs flat which left a lot to be desired. Shown to bedroom which was untidy and dirty especially the duvet. I should have turned around but unfortunately carried on. She removed her dressing gown and pulled her top down to reveal one pierced nipple. Boobs were ok but the rest of her was quite plump. I stripped and she started to play with my cock and gave me some owo but I really just wanted to get out of there. She continued with her hand until I came. Gave me awet wipe, put my clothes on and left. Was only there for 15 minutes. Please don't go there.
