The Lady:

Beautiful petite polish girl in her late teens. Brunette hair and a sexy hot, fit toned body with a wonderful pair of natural tits. Sara is great company, being friendly and playful. She also has a great attitude, does everything with a smile and was a real gem.

The Story:

I had a wonderful GFE. When she opened the door i was pleasantly surprised to see she looked much better than her pics. We were at it like lovers from the off - after a lot of DFK, she undressed me and i wanted to enjoy her gorgeous tits which i sucked for ages. Nice OWO which had me on the edge a couple of times, i had to ask her to stop and let me suck her tits and eat her pussy while i cooled down. After a hard day i knew i could only manage one round so on with mac and i took her in mish and came pretty quick. Stayed in her for a couple of mins while we DFK and after i had a nice massage to boot.

She is only here till the end of the week and then goes back to East London! Bugger it - i could easily visit her every week. At 80 quid i dare you find better value for money and i gave her a nice tip. I have paid over 3X for the same quality service.
