### The Lady:

As described in her web site BUT better.

Lovely suckable nipples and pert bum.

### The Story:

Emma came to my home and kept me informed as to when she would arrive, on time.

As this was our first meeting we chatted and sorted out ground rules, not a lot.

Emma suggested we head for the bedroom where we kissed and undressed each other she has the most remarkable breasts with large pert nipples which she likes sucked her pert bum also likes to be stroked and fondled.

We moved onto the bed and spent some time fondling each other. I then moved down and soon had my head between her lovely legs she tastes fantastic and certainly loves being licked and sucked and is very appreciative reversing our positions and giving me great OWO soon moving to a 69 before putting on the hat Emma taking the on top position taking us both to a joint orgasm.

Hopefully this will not be our only meeting she is a lovely girl so treat her well
