The Lady:

Kimmy is not the one pictured on the website, but she is very pretty none the less. She is Korean and is petite with an all natural body. She must be around 28-30.

The Story:

Booked for an hour. Started with a massage. This was the second time i visited Kimmy so I knew how good her massage is. Once the B2B massage was I flipped over and she caressed my body from feet up to come up to give a very good DFK. She knows her way around the knob and i had to control myself very hard. I then went down on her and although initially she was hesitant, she really got into it with loud moans alternating between stop and dont stops. Moved on to doggy and finished off with mish.

We then lay down for a bit and went in for a shower where she pretty much bathed me and what was good to see that she insisted that we washed our mouths with mouthwash as well. We patted each other dry and walked back into the bedroom with her peachy bum in front of me.

All in all an excellent VFM punt. highly recommended. Hope she stays for long.
