### The Premises:

One of the many apartment blocks in Ryland Street used by working girls. Perfectly adequate although parking can be a pain - best to park in nearby Tesco and walk from there.

### The Lady:

Tall girl with short blond hair - pictures on website (and AW profile) accurate.

Hungarian who speaks reasonable English although sometimes necessary to speak slowly so that she can understand.

### The Story:

Meeting arranged at short notice after girl I had booked the previous day did not respond to my text / phone calls confirming the appointment - very annoying.

Met by Paris wearing matching bra and panties - looked good although much taller than I expected.

Had quick shower then on return to bedroom enjoyed a lengthy session of kissing and cuddling while removing her bra and panties. OWO followed which was some of the best I have ever experienced - so good I had to ask her to stop several times in order to avoid an early conclusion.

Sex in three positions before more OWO to make me cum - CIM not on offer unfortunately. Felt well satisfied at the end.

Paris told me she is going home at the end of the week although it wasn't clear whether this was permanent or just for a holiday - hopefully the latter as I would be happy to see her again.
