The Premises:

A flat in Bayswater. Tidy enough.

The Lady:

Looks a bit older than in her photographs but it is definitely her. Nice pair of tits and a nice bum too.

The Story:

If I had paid £60 for this I would recommend and even go again but for £200 it's a waste of money. I got in, sorted out the paperwork and she avoided all of my attempts to kiss her. She told me to take off all of my clothes and got on top of me and got me to suck her tits. She then cleaned my cock with some wet wipes only to put on a condom to give me a blow job. I think she was trying to make me cum from the blow job as she was down there a long time and started using more and more hand action.

Eventually she got on top and we fucked in a couple of positions until I came. She made it quiet clear there would be no round 2 by putting on her dressing gown and standing at the door of the room. Although I paid for an hour I was out of there within 20 minutes.
