The Lady:

Mistress is a very attractive green eyed blonde. She was dressed in a black latex cat suit that showed off her gorgeous size 10 figure.

The Story:

I contacted Mistress via email (you will get her phone number only when you make a booking) and told her of my likes and dislikes when it comes to BDSM. I also revealed my ambition to be fisted.

Well what transpired was beyond my wildest dreams. I was bound, tied, had my bottom used, but not fisted that's for next time!

Apart from the bottom play the highlight had to be the time in the vac bed, whilst in it mistress did some CBT that was mind blowing to say the least. And throughout it all mistress used my nipples, in fact they're still tingling almost 2 hours later!

All in all this was the best ever BDSM experience I've ever experienced. Thank you Mistress I will be back!
