### The Premises:

The London Retreat. Discrete, well appointed, easy to find. Ideal location. A very professional service.

### The Lady:

Kate has a fantastic figure and a charming, friendly, easy going manner. She is a very attractive girl.

### The Story:

As it was my first visit there, Kate took time to find out what interested me and was happy to take requests for an outfit for her to wear. There were plenty of toys and clothes available for use at the location. Kate was very assured and immediately took control, responding to my suggestions expertly. The main room at the London Retreat has a large moveable mirror in which I was able to watch Kate at work on me from behind. Kate seemed to really enjoy this and made the experience highly sensual and arousing. She took a dominant role without being overbearing, seeming to instinctively recognise my preferences. I got the impression she could play any role with great aplomb. So refreshing to meet a sexy, experienced lady who knows how to make a man respond to her.

Overall a very exciting and satisfying experience. Looking forward to a repeat visit.
