The Premises:

Small flat in use by a few girls. Not the most spacious of places but it served the purpose. Washing facilities available to clean up before and after the deed. Parking may be a bit of a nightmare as most spaces are residents only.

The Lady:

Blonde lady about 5'4"ish. In her mid 40's but with a fantastic body. Has the most beautiful pair of natural tits it's been my pleasure to suck. Nice tight well trimmed/shaven pussy.

The Story:

Met at the door by Lynzy who led me inside and explained the layout of the flat. Flat is divided by a curtain so 2 girls can work at same time. Paid the money and stripped off, helped getting a hard on by hearing the guy on other side of curtain having an energetic fuck. Lay on bed while Lynzy massaged my back with her tits before rolling over to have a tit fuck. Such magnificent tits. Loads of sucking and rubbing before the overcoat went on and one extremely stiff cock was fed into a nice tight pussy. With her legs on my shoulders it took about 10mins of pounding before I dumped my load. Absolutely fantastic fuck, and did I mention her tits?

Lynzy is a fantastic lady, fucks like an energetic teenage girl. Well worth a visit for those tits alone.
