### The Premises:

Clean and tidy studio. Fit for action.

### The Lady:

Very similar to site pictures. Maybe a little older but that is to be expected. My first impression when I saw her was "wow". Lovely figure and gorgeous face. If you like Thai girls, you will like Crystal.

### The Story:

Got the "gift" out of the way then she asked me to take a shower. I had taken one just before I Left the house but she kind of insisted I take one again. It was a nice assisted shower and she is very sweet at it.

On to the bed and we started with a bit of foreplay before the main event, and i wont bore you with the details but all services stated on the site were on offer.

Crystal is a GFE away from the bed and a PSE on the bed. She is very new so is not hardend yet. If you like Thai girls then you cant go wrong with Crystal.
