The Premises:

It was a hotel room in Central, quite nice but nothing special.

The Lady:

She was tiny, I'm guessing below 5 foot but good looking and slim. Good tits though and real, with nice nips.

The Story:

She was under 5 ft in height but overall she had a good body. Good tits for a skinny girl, with big nips.

She wouldn't do OWO or any extra's, and dressing up wasn't an option as they'd moved premises. I was a little pissed as they told me that she'd have a dildo but she claimed not to.

It was a good session, she sucked cock like a pro and her pussy was nice and tight. She was a little tame and that had its pros and cons but she was a lovey girl and I will be back.

Indian Palace are good but they still have room for improvement.
