The Premises:

Close to Anerley station, on bus routes and with parking nearby. Safe basement flat with front and discrete rear entrance. Clean and updated, with two service rooms. The original room now has red furnishings, a wrought iron bedstead (mind your toes!), video and the same great mirror wall. The original lounge is now equipped with the old circular bed and TV and video is available. The shower has also been refurbished but sometimes can be a bit on the hot side. A friendly maid (usually Debbie herself) offers drinks before and after.

The Lady:

Lara is in her mid to late twenties, has a beautiful face, large brown eyes and long brunette hair (tied up in a short ponytail today), a very natural welcoming smile and a friendly, relaxing manner. Of medium height, she has a slim curvy figure, a trimmed "Brazilian" and great legs. She was dressed in a black top and easily removed crotchless knickers through which you could feel her full, soft and very wet pussy (quite a turn on!). Hold up stockings and very high heels completed the picture. The reality is far better than the photos!

The Story:

This was my second visit and it followed the same pattern as before: Welcomed with a cuddle and intense DFK, I went for my usual the House Special. Mutual undressing heightens the anticipation before the shower and then there is nothing like slipping and sliding over one another while intensely kissing and lathering each other in all the sexy spots. Lara is very sensual and loves to have her neck and ears kissed, alternating with the DFK. Once back in the room, there was mutual gentle drying and much touching and kissing before moving onto the bed. Lara responded fully to being caressed and kissed all over, particularly on her nipples and between her breasts. My tongue on her clit and full labia soon produced a succession of strong climaxes, to which she returned the favour with a long, tantalising and very sensual OWO, using her tongue, lips and breasts to bring me to full arousal. We finished with a satisfying mish in which we both came together and lay breathless in a warm kissing and cuddling session. Some friendly conversation before a final kiss goodbye. One of the most sensual, no rush GFE's I've ever had. Be gentle with this lady and you will be fully rewarded!
