### The Premises:

SueLee has been at this location for a while - flat near Swan & Sugar Loaf (now small Tesco's) at Southern end of South End. Nice flat in a nice block. Shower available, nice room. Off a reasonably quiet road, block set back from road so reasonably discreet.

### The Lady:

Think she was Thai, but didn't get a chance to confirm. Late 20s? but difficult to tell. Not slim, but certainly not overweight, but didn't get a chance to really see her body much! Not sure if she was that fluent in English as we ended up not talking much either! Despite all of that, she was very enthusiastic and gave 100% effort throughout the entire encounter - explanation in the next section... She's new and apparently normally there on Wednesdays.

### The Story:

Well, I thought this would be a standard experience of a bit of fooling around, a bit of OWO and then sex in various positions - SueLee always seems to attract girls of a high standard. That's not quite how things went this time, starting with a full-on sensual tongue treatment in every way that is humanly possible, beginning with enthusiastic DFK and taking it from there. Then, while still sitting on the edge of the bed, the same strong tongue and mouth were then applied to my cock, interspersed with licking, deep throat OWO, moaning and generally making lots of noise - all with intense and seductive eye contact - and she just kept on going. I was wondering if we'd have time for anything else, but gradually realised that she had no intention of anything else getting in the way, so I sat back and revelled in the attention and intense feelings, lightly fucking her mouth towards the end which seemed to provoke moans of delight, until the inevitable finally happened. She then went and discreetly retired to the bathroom while I collapsed on the bed. So, rather unexpected, but rather good! That's why I never had the chance to get very much basic info from her, but what the heck...
