The Story:

Kimmy greeted me with a lovely smile. After we'd got the paperwork out of the way and I'd had a shower, she treated me to a lovely sensual massage. This in turn led to dfk and owo. When I was really hard, she slipped on a condom and I slipped inside her. I couldn't hold on for long, but afterwards she massaged me gently and I went on my way a happy man. In my experience, oriental ladies provide wonderful service and Kimmy was no exception. You should visit her guys and treat her nicely. She'll do the same for you!
