The Premises:

In a town house near Milton Keynes Central Shopping Centre. Easy, cheap parking nearby. Comfortable, safe and clean.

The Lady:

Spanish natural beauty with golden brown hair, a wonderful body, perfect breasts, bum and long legs. She is one of the first girls featured on the web-site's video - the girl with the tattoo on her back. She is muy caliente.

The Story:

Wonderful GFE. Overall it was Selena's warm personality that made the experience so enjoyable for me. Met with a kiss. Good conversation, eye contact through-out and always checking that I was enjoying everything, which of course I was. As someone now in his late fifties, I asked her to take it slowly and she respected this as we moved through the full repertoire of her advertised services: good oral and hand skills. She seemed to enjoy my RO. Her reverse cow-girl, with the image of the tattoo on her back and the cheekiest look on her face as she turned around to put one hand on my chest will be a memory I'll remember for quite a while. After 40 minutes I was a spent man - mission accomplished thanks to Selena's talents - so she asked if I'd like a massage which of course I did. Only when the hour was complete did she ask if I wanted a shower. Gracias Selena for a great time.
