The Premises:

Nice spacious room, no problems what so ever. I have been a client of this establishment for sometime and always been treated well.

The Lady:

As the door opened, WOW behold one of the most naturally beautiful girls I have ever met in this business. No exaggeration!

She really has a beautiful face & hypnotising eyes, and a very cute cheeky smile, absolute flawless! What can I say, I'm in love with her!

I wish I could take her home and make her all mine.

Descriptions sounds about right on the website, 5'6, size 8 with top natural medium sized breasts and a out of this world sexy figure.

Perfect for me.

Not only is she absolutely stunning with model looks, her personality and company was excellent as we made a great connection together.

The Story:

I was the first client with Emma as it was her first day at MKE's so I took my chances with her based on services offered, and so glad I made a booking with her as she sure made my day just based on the sight of her gorgeous model looks. She ticks my boxes!

We got talking as I recognised her from before as she has worked in MK previously for a short while about 2-3 years ago with this establishment and it was a real pleasure to see her again. What happened in our time is between me and her with all due respect.

Service wise she does not cover all as stated on the website and I was disappointed at first as OW and light kissing was on the menu, GFE.

However, this did not put me off as the presence of being with this hot incredible stunning lady was well worth it.

Being honest, when I have a lady that is perfection in looks and all mine during that time, I'm sure not going to complain!!

I'm already considering seeing her again.....she took my breath away and I'm still having trouble breathing! ;)
