The Lady:

Stunning sext lady, even better than her pictures on the other site. Thai lady size 8, 5", 34C, long dark hair, very pretty.

The Story:

Excellent traditional thai meeting, no kissing but everything else was great. Wasn't wearing what I requested, but soon changed into stockings & heels. Clearly goes through the motions but none the less was an excellent punt of this type; little talking, no real empathy but very sexy, sub servant if you like. Stripped off and started with excellent oral without, ball licking etc. On with condom and great reverse cowgirl, perfect size for this, then missionary to finish. Then into relaxing phase, very good massage then more touching, oral without & hand job to finish. Recommended.
