The Story:

First experience with Layla she was very friendly, she has excellent massage skills. I chose the Tantric massage. I stripped naked lay face down in the small studio on the professional massage table, Layla stripped naked and applied some oil and started slowly to massage my back, legs and ass she has a sensuous touch after a brief period experienced erotic prostate massage. Turned over Layla massaged my chest and worked her way down to my legs occasionally brushing against my cock after a while layla concentrated on my cock, balls and ass several times bringing me close to orgasm she seemed to know how far to take me without cumming too soon. The build up had been spectacular and layla had one more surprise for me (you will have to visit to experience) fantastic cum.....
