The Premises:

The Retreat is down a quiet alleyway off a main road. Quite discreet with a subtle first floor sign. Not too difficult to slip into unseen, if you are feeling shy.

The Lady:

Sapphire is a gorgeous caramel skin Black girl. The photos on the website were very accurate. Big eyes, lush lips, heart shaped face. Fantastic clear complexion, smooth skin. Huge firm natural boobs, H cup I think, though with hypersensitive nipples, so she might not let you suck on them. Sapphire's booty is one of the most gorgeous I've ever seen. A big B behind, but firm with not a single spot of cellulite. Not all muscle, there was just enough cushioning for me to squeeze hard as we did it doggystyle.

The Story:

The woman at reception was friendly and discreet. Introduced me to Sapphire after I paid and showed me upstairs. After leaving me a decent time to get undressed, Sapphire bounced into the room full of energy, good humour and enthusiasm. And what enthusiasm! After a brief massage and a nice get to know you chat, she flipped me over and put on the condom with her lips. I love it when girls do that. Then, Sapphire gave me a lovely sloppy blow job. She asked me what I wanted to do and was only too happy to oblige me with whatever position I wanted. She clearly enjoyed every moment, didn't need lube, and the hour just flew by. After a few really dud punts, this experience was refreshingly passionate and relaxed. Such a lovely girl! I'll be back for more.
