The Premises:

Clean apartment on Great Hampton St, Hockley. Felt safe enough in daytime, with plentiful parking available in the vicinity. Shower available if required.

The Lady:

About 5ft 5", with straight, shoulder length black hair. Slim size 6, but very toned with beautiful C/D cup breasts. Website states age is 21, but I think she is at least 4 years older. Tattoos confirm this is the girl in the photo's.

The Story:

My expectations were high after seeing her photo's, but my first impression was that her face is not her best feature. This is made worse by her hardly opening her mouth, so french kissing and smiling were off the menu. She revealed she is returning to Romania for cosmetic dental work, so she might be self-conscious of her smile, as her teeth did appear to be crooked and chipped. However, her body is very tanned, toned and sexy and she was polite throughout and offered me a drink to start. Soon, we got down to business, but I felt she was trying to avoid anal, despite saying it was available. After some fantastic 69 Finished quickly in missionary position, probably due to Saturday night hangover. After a brief chat, she told me my time was up, even though the clock radio on the side confirmed I had been there for about 45 minutes. At this stage I could not be bothered to argue and politely left, despite feeling disappointed with the service, and with Nicole having a BOBFOC!
