Nice neighbourhood easy to get to. Room was good and shower facilities were excellent.

Very attractive and busty. The photos on the website are very good. English was very good.

The Story:

I had to rearrange this appointment as my original choice could not do my time. I have to say that Mona was very attractive with fantastic tits. So I was initially very pleased when she opened the door. After the paperwork was dealt with I had a good shower. We started with oral which was covered. It was very nice and she has a very good technique although I was disappointed that it was covered. The website states that Mona would be a good GFE. However there was no kissing or any real interaction that I would normally associate with or experienced with other providers. We moved on to a session of doggy. I could hold out no longer. I was hoping that we would relax and recharge but was told that was the end of the session. This was after about 25 minutes. I was offered a massage which was ok but would have been nice if there was more body contact. I eventually left after about 35 mins into the session.
