### The Story:

I wanted to avoid a cold, unimaginative ( dare I say Eastern European) experience! I was going to go with another girl but read review here that recommended charlotte... Phoned her and she was lovely... Warm, friendly and funny!

I always get a bit excited before an appointment so texted her a couple of times! i know some girls find this annoying but charlotte was great and replied courteously each time.

Arrived and couldn't have been more pleased! She was dressed In a very sexy outfit! I was nervous but wanted to ask to try a few things! She put me at ease and suggested some ways we might do it!

The event itself was amazing.... I have left a review somewhere else saying that charlotte was not only the best experience I have had with an escort but probably the best experience I have had with a woman!

Can't wait to see her agin and can't wait for her too come to Scotland.
