Building is located on the edge of a free car park in the busy town of Fenny Stratford.

The massage room was small but adequate.

The Lady:

Ashleigh - slender, dark haired, very pert and striking

Poppy - blonde, petite with a fuller figure and pretty

Photos on the web site do not do either girl justice - next time I'll bring my camera!

The Story:

This was my first visit to Ego massage, and my first massage experience. Naturally, I went all in for the four hands deluxe body-to-body massage!

Both girls were friendly and welcoming.

Started face down and received a very firm and enjoyable massage - not just a quick rub, a proper deep kneading of my body. Someone (I'm not sure who!) was teasing the knots out of my calves. Then on to body to body with the girls taking it in turns to glide over my back

Eventually I was turned over, and the session proceeded to a very intense and satisfactory conclusion followed by a shower and a chat.

All in all a very, very pleasant experience with two lovely girls who sent me on my way with a secret grin.

I would definitely recommend and return - thank you!
