The Premises:

Amazing apartment beautiful and calming décor. Then when you go through to her dungeon after the initial chat, the dungeon is amazingly well-equipped.

The Lady:

Jaw-dropping beautiful girl, she is just stunning. I think she is Spanish, with alabaster skin, black hair and amazing eyes. Very friendly and attentive in the first chat about your needs. Then changes when the dungeon door is closed...

The Story:

I asked to be tied and teased, a bit of foot worship, some light whipping, then CBT (cock and ball torture) and then to be told to wank off for her. She tied me to her bench and made me lick her boots while she whipped me, starting gently but building until it hurt, then let me rest, then when I asked for more she took me to the next level of pain. Then she squeezed and stretched my genitals until the sensations were amazing and I needed to cum. She smothered my face with her latex crotch and forced me to masturbate for her. I came all over myself and was happy that I could please her. She is an amazing person and offers an amazing combination of nice and nasty. I will be back, next time to experience her strap-on.
