The Premises:

Brilliant location. One of those beautiful Victorian terraces near South Kensington tube. I got an en-suite for myself, nice and clean bed and bathroom. Really impressive!

The Lady:

Viva is really gorgeous, tall and slim, with a very beautiful face. There is a bunch of pictures of her around (obviously worked for agencies in the past), and in fact she looks exactly like this:

Besides being beautiful, she was also very friendly and natural around me despite the fact this was our first time together. First but not the last. Seems to be in her mid-20s, so still very fresh-looking but at the same time also experienced in bed.

The Story:

The experience was very, very satisfactory. My last punt was with a £300 girl, also very beautiful, but we didn't click. I've also been very disappointed with the standard of the current £200/hour girls. A few years ago this rate meant you'd get a very pretty girl, but these days...

For this reason I decided to have a go at a parlour, not to go cheap, but just to try my luck. And the result was the best punt in a long time. Viva's OWO and kissing are amazing, any positions were on offer, and I finished in her mouth. Her skin was so nice, her smell was so good, her face is so pretty, and the kissing was so great that at one point I thought I was in heaven.

Before leaving I gave her the money I had left in my wallet because she deserved it. Will see her again.

Well done to HoD. Very professional booking, very nice receptionist, absolutely brilliant location.
