Discreet and fit for purpose!

The Lady:

Exactly as described. Very pretty face and lovely cheeky smile. Standout very naughty raunchy mouth and eyes. Lots of naughty looking tattoos

The Story:

Described as filthy! Just how I like a girl!! Did not disappoint on the filthy look and feel scale! In fact in all seriousness a very cute lovely girl. Very soft skin and very sexy kisser. Looks and gives the impression that she's older than 19!! Which is good as I initially felt awkward with her youth, but she made me feel at ease very quickly.

Tara was very keen to please so much so that I had to ask she slow things down a bit. Maybe she was a tad nervous as this was her first day. I spent most of the time eating her delightful pussy, which tasted great. I then asked that I spunk in her mouth and that she snowball it with me over a very sloppy kiss. She did not hesitate in receiving my full load I enjoyed very much a very spunky DFK. Most satisfying.

We then had a giggle as she pointed out that I had spunk all round my neck! I in turn pointed out that that was not a good look to go home to the wife with!

As it would have potentially had some very awkward explaining if discovered

A very good punt and will be back to fuck her good next time!!
