The Lady:

Jameela is a pretty size 6 brunette. She has a fit body with pert breasts. Her skin is fantastic. At the moment she is pregnant and sexy with it.

The Story:

Jameela had a black one piece on which showed all her curves. I had a shower and standing i fondled her breasts and stroked her body as she massaged my cock. I was kissing her back and the clothes were soon off. Her pussy is shaven and she likes oral and her 69 skills are great. No fingers in her cunt but my tongue fucked both holes and she makes great noises. I had to stop the sucking of my cock or the spunk would have arrived too early. Jameela offers anal and cim for pennies extra. I was content to put on the condom and be fucked by a pregnant woman cow girl style. She is very tight and wet. I was soon on the edge again. Age is on my side, being old i get great value from long lazy fucking and splendid sloppy blow jobs. Fucking this woman doggie is fantastic and for those into anal her puckered ring looked a delight. She is articulate and we chatted throughout. I finished by fucking her mouth and Jameela using her hand to push me over the edge. I had some time left and took the opportunity to lick and play with her wet cunt. This was a great experience and if you want to fuck a young, sexy, pregnant woman then be be quick.
