The Premises:

this is her Mother's house and we used the front room. It was weird.

The Lady:

skinny coloured girl with small boobs. Not well washed. Almost manic talkative. Jaded chat, trying to do a femme.

The Story:

Very poor, started ok with a bit of femme but then her sister came home with her mates from college so she popped out to talk to her. I had paid for 2 hours. She got me off as rapidly as possible, nipped out of the room and came back dressed to go out. she said she had to go shopping and I had to leave. I asked for some of money back she said it wasn't there and had been taken away by someone as she doesn't keep it long in the house. Her sister and friends were upstairs. Not much option other than causing a big ruck, so I was ripped off and I left.

I don't give bad feedback on here, except when there is a rip off.

AVOID this girl. She is dishonest, gives a poor experience and has poor hygiene. It is too weird to combine this poor girl in her family living room with the rest of the family in the home.

No no no!!!
