The Premises:

Easy to find building next to Kilburn station. Apartment is quiet and very clean, dim lighting, overall a very pleasant place.

The Lady:

Holly is a very close match to her picture, she actually looks better as the agencies picture tend to make girls look like dolls. Slender woman with a silky smooth skin, a beautiful smile.. a tatoo on the left shoulder. Beautiful body, and sweet eyes.

The Story:

This was my second time with Holly. She was dressed as requested, with a very pretty and well adjusted little black dress. I was offered some drink straightaway. I wanted to chat with her and indeed we chatted for a long time, enough for me to discover a very interesting, honest lady. We gradually unclothed and got into the bed where we kept exchanging life anecdotes and some cuddles.. after a while I realized the little miss got me naked and was giving me a slow, deep OWO which I thoroughly enjoyed. Her technique is impressive although I confess I've never been a huge fan of receiving oral to begin with.. After more chatting, hugging and fondling she slowly rose and positioned her legs around my head, exposing her intimacy for some licking, kissing and sucking. She seemed to genuinely enjoy the process, and the warmness of her thighs and lips on my tongue almost drove me insane. When she was done, she suggested we switch to covered sex. She slowly, deeply rode me in cowgirl while I caressed her. Eventually we changed position (me on top, her lying face down on the bed) and I barely had time to enjoy her moaning before I exploded in a first timer-like orgasm.

She then offered to give me a relaxing massage, which I refused this time (I tried it before, it is worth it !) and we went for a very long, sweet, couple like cuddling session. Time flew with her, and it was already time to go.

I had such a wonderful time with this lady... if you'd like to have an animal, raw sex experience she might not be what you are looking for, but if you are more interested by a feminine, sweet company, then Holly is the perfect woman.
