The Premises:

Good place in a safe and busy location. As I'm not from the area, OK to park outside, otherwise you want to be in the shopping area car park and walk over.

Clean and tidy. Receptionist was very helpful and polite. Always a good start!

The Lady:

Petite and pretty young lady with a gorgeous bum and boobs. Soft and gentle touch for the obligatory massage! Delightful girl who puts you at ease in no time. I'd not be throwing her out of bed in the morning.

The Story:

Started with a welcome shower while Heather left the room. She asked me to lie naked for a quick massage and soft tickle. Great fun, as she had taken off her nurse uniform to reveal a slender cute body in a negligee. Played with my cock for a while, then turned me over and stripped off. I could have exploded right then, wow. On with a cover, and give me a decent blowjob while I squeezed her tits. Then laid her out and ate her out till she was well wet. Proceeded to ride her which was great as she is small and tight and bendy. Rolled her over for doggy. Finished on her tits. Then a quick clean up, another shower, bit of chat while I dressed and left. A very pleasant time with an attractive and talkative girl.
