### The Premises:

First impressions really count and everything about GFE was clean and tidy. The atmosphere was very friendly and relaxed with a discrete entrance at the rear. The staff are first class.

### The Lady:

Stunning mid 20's slim blond, great body with a great set of enhanced boobs.

### The Story:

I thought I recognised her from a well known establishment in the North West and her scouse accent confirmed that!

I opted for the VIP room for a change and so glad I did, the space and mirrored wall near the bed really adds to the atmosphere. I had a shower to freshen up before the massage, this was followed by some slow deep oral, I just couldn't keep my hands off her sexy body.

We had sex in a number of positions and at no point did I feel rushed or awkward, it was very much a GFE Experience. Lucy is very sexy when viewed in the mirrored wall from behind!

After a little break and lots of caressing, we decided to finish with my cock between her amazing boobs, so I could come all over them. I would highly recommend Lucy to anyone in the area.

Hopefully I'll visit up North a bit more often.
