The Premises:

Modern one bedroom flat not far from Paddington station. Entry to the building by intercom, and concierge in the main entrance hall. Lift up to the 5th floor. So far so good, but when I was let into the flat it was like a students digs with clothes and boxes everywhere, and about a weeks washing up in the kitchen sink.

The Lady:

Well, the lady I saw was the one in all the photos, but full marks to the Photoshopper who'd done a brilliant job. In the flesh Somaya is chubbier, and said she needed to lose some weight. She also had skin blemishes on her face and shoulders - a bit like acne.

I'm not painting a very good picture, and I haven't mentioned that she answered the door in her pyjamas, and then went to have a wash and brush her teeth.

Despite all of this I really liked her. She apologised for not dressing up but said that she's very often let down on Sunday mornings by "no-shows"

The Story:

Well, she undressed me, went straight down on me, and took my cock in her mouth right up to the hilt. I enjoyed that for a few minutes, and then pulled away and took her pyjamas off. Somaya has large boobs with big nipples, and has a lovely shaved and trim pussy. I had a feast down there for quite a while but she said she didn't want to come, and we then kissed and cuddled.

Somaya then rolled out the rubber, and rode me for a few minutes. I was starting to get there, but I wanted to try something else. She was advertised as being an "A" level expert, but when I asked she said she didn't do that. I'm not sure if she just didn't fancy it, or whether the agency was telling porkies.

Not to be thwarted I said I wanted to come in her mouth - and after about 5 minutes of deep throating I had an intense climax- one of the best ever.

She went to the bathroom to spit out what she hadn't swallowed, and we then lay and cuddled and talked for a while.

I was sorry to leave her as I'd become fond of her. Hope to see Somaya again soon
