The Premises:

New location for Sophia's. A nice flat with plenty of parking locally.

The Lady:

Tallish olive skinned girl who is absolutely gorgeous. You can see her heritage in her face. If Cleopatra was alive today I would hope she would look as beautiful as Elissa. Not an ounce of fat on her with small perfectly formed boobs.

The Story:

I was hoping to see Sophia today but Elissa was standing in for her as she was ill. Sophia said I would like Elissa so I took a chance and boy am I glad I did. Elissa had to come down and answer the door as there is no buzzer entry. I was pleasantly surprised how attractive she was :-)
Elissa is a kind of take charge girl and I let her (rude not to) kissing was nice and got me aroused nicely. We stripped off and I got a good bout of OWO which I thoroughly enjoyed. There's something about her eyes that's quite hypnotic and sexy as she's swallowing my wee fella :-). I then returned the favour and licked her sweet pussy for a while and I think my efforts were greatly received. Then it was time to bury my cock in her. Started with missionary looking into her beautiful face as I trusted deep inside her. Swapped to doggy and the site of her gorgeous arse as I pounded away was too much for me. After the clean up there was no rush to get me out of the door and we chatted for a while. I am definitely gonna arrange a duo with her and Sophia soon as she likes pussy too. If you are thinking of paying Elissa a visit don't hesitate as you are simply missing out on the best things in life if you don't! 10 out of 10 from me.
