The Premises:

Wonderful discreet flat. I felt very safe and found parking right outside Charlotte's flat.

The Lady:

Just as her pictures describe. Long dark hair, natural big breasts adorned in wonderful lace underwear, a wide big smile, not fat but not thin either and long legs....a lovely real woman and very beautiful

The Story:

Having not punted for a few years, i decided to take the plunge and so typed into google and up came Charlotte. i'd read several reviews and after working up the courage I took the plunge and called her. A chirpy voice answered the phone and so it was booked. i requested her to wear black lacy underwear and I hoped she would remember. i had no need to worry as when Charlotte opened the door i was quite taken a back. What a lovely, beautiful creature and so clever and witty. I knew I had struck gold with Charlotte.

She's one of those rare creatures in the escorting world who has a brain as well as beauty. She's well read and extremely cultured, quoting lines from Shakespeare whilst doing the deed i found so cute and funny. In essence, Charlotte gave me an amazing experience and I will be booking an overnight with her in due course. What a gem! Certainly makes Leicester worth a trip now! Please treat this lady with respect because she is an absolute diamond!
