The Premises:

small flat in the Nottinghill area. Discreet entrance on a busy road. Safe area and easy to get to with good transport connections. Bathroom and shower facilities are good. Bedroom is very nice with big bed and very nice decorations and decor around the whole room.

The Lady:

The girl is like her pictures. Very pretty and amazing curvy figure. Good legs, great ass nice tits and very sexy/pretty face. She is very sensual and friendly. Speaks good English. Looks young and fresh. I am slim & fit in my early thirties and I would be very happy to have her on my arm.

The Story:

When I saw Tiffany I was very happy. It was a last minute booking for around 10 past midnight on 12 feb. She was leggy and curvy with a very pretty sexy face. Was wearing nice lingerie. I got the feeling Tiffany was a more GFE type of girl but she was very nice and gave me some very nice/nasty PSE that made me feel like I was in heaven getting away with all the naughty acts. Tiffany was very welcoming and gave me a nice cold drink when I arrived. She was in sexy lingerie that made her body look sizzling. I had to cool off in a quick shower. Came back and within minutes her clothes were off and I was pushing my dick nicely in and out of her mouth. She is very sensual and passionate and knows how to get you hot under the collar. She licked and carressed me with her tongue in between sucking me off. This was very nice but I needed to get a condom on fast before it was too late. Sex was very nice. Her pussy feels divine when you are inside her. I enjoyed this in several positions, cowgirl, miss and doggy. I was in a bit of a naughty nasty mood and I couldn't resist trying anal as that is always my favourite. I love it as it is such a submissive act for a lady to do. She agreed to do anal and I tried entering in doggy. She is very tight but I managed to stay firm and squeeze my little mate in. By the look on her face and the sounds she was making it seemed like she was a bit rusty at anal or not used to it or good at it. I was very slow and gentle to try and ease her into the anal. Even slow it felt great. After about five minutes of a wonderful feeling in her arse I asked her if I could fuck her harder and faster as up until then I had been quite gentle and she had had her hand behind on me stopping me from going to deep too fast. To my surprise she said yes to hard anal. I moved her hands aside and proceeded to fuck her curvy arse as hard and as deep as possible in doggy. From the look on her face and sounds I was surprised she was letting

sodomize her that hard but then I was knocking the wind out of her and loving it. She also kept shouting at me to fuck her arse hard which really turned me on. I couldn't help myself I was loving it looking at her face as she let me slam her arse harder and harder and I made sure she could see I was loving it. It was becoming fun to see how hard she could let me slam her. Eventually we changed positions to her standing and leaning over the bed and me standing behind her grinding her arse hard whilst squeezing her lovely tits. The anal went on for ages and I think hammered her arse too long and too hard but I loved every second of it so in truth I wasn't sorry. I eventually needed a break and I think she was only too happy to oblige. I got back on the bed and pulled my legs back so I could enjoy seeing her pretty eyes as I pushed her head and tongue into my hairy arse to rim. It was really nice being able to see how i could use her pretty face to clean and rim my arse good. It felt great. In the end I pushed my dick all the way down the back of her throat and enjoyed a really nice cim. We were both worn out. We chatted for a bit and then I cleaned up. We had a warm embrace and said our goodbyes.

I would definitely recommend even if it is just for normal sex as she feels really great and tight. Anal is good to and her arse is tight and feels. Great. I had really nasty sex with her and loved it. I was very impressed with how submissive she was and how much she let me put her through. She is a lovely lady in all respects and you won't regret seeing her.
